If there is anyone that knows the reason
Then please tell me,
Why the more people like me keep thinking about?
Wanting to escape and forget.

The more I end up thinking about it?

HE TOTALLY MISUNDERSTOOD ME, I SHOULD'VE DENIED IT CLEARLY
IT WOULD ALSO CALM MY HEART DOWN TOO.
It's best to eat sweet foods or citrus fruits to calm my nerves

I do think that I admire him a little too much though
BUT HE SHOULDN'T JUST DECIDE IT LIKE THAT
I just think that
He's really strong in fighting

He always could laugh
He always has people around him
He's so smart that he could be a teacher.
No matter what problems or failures he faces
As I thought
A person like me
I UNDERSTAND
IS WHAT I THOUGHT
